Keeping Kids First

COWPOKES FOR KIDS CHARITY RIDE & DINNER

About the event

The Cowpokes for Kids Charity Ride is an amazing one day event that takes place in beautiful Star, TX on McCasland Ranch. This ride and dinner benefits the children and families of New Horizons Ranch & Center, Inc.

New Horizons is a 501c3 Non Profit for children. We serve over 1,200 children and families each year through our services for kids in the Texas foster care system. Our Ranch and Audrey Grace House provides treatment and therapy for children who have experienced significant trauma from abuse and neglect. We have 110 children in treatment at a time, and they all call New Horizons their home. We also have a child placing agency for foster care and adoption, and a free counseling program for at risk youth and families.

At the event

Cowpokes begins on Saturday, the 14th at 11a.m. with a hamburger lunch followed by a 3 hour scenic ride through the McCasland and Pigfoot Ranches. There will also be games, kids activities, raffles, a cornhole tournament, an amazing catfish dinner, a live band and dance under the stars, and a live auction.

Camping will be permitted on Friday and Saturday nights, but services and meals will only be provided on Saturday. Complimentary beer & wine will be provided.
